

Leon age 10
AES 13568

Leon is a delightful eight year old boy with an engaging smile and a sparkle in his large brown eyes. He is known as a charmer due to his sweet personality and his ability to get along easily with both children and adults. Unlike many children his age, Leon does not like to watch television; instead he prefers to play with toys. His particular favorites are the Incredible Hulk, trucks, and LEGOS. He also likes to dig in the dirt. Leon is somewhat developmentally delayed. He needs a family who is willing to work with his special needs and will be patient with him as he attempts to learn new skills. If you would like to meet Leon, please contact Children's Home Society at (863) 413-3126.

Alexander age 11
AES 93318

Alexander is a handsome, inquisitive, young boy with short brown hair and brown eyes. Alex is of Hispanic ethnicity and has an olive complexion. Alex likes playing video games, basketball, and football. He is enjoying learning how to take care of animals like horses, pigs and rabbits through the Animal Club. His first language is English; however, he is excited about the possibility of being part of a Spanish-speaking home. The ideal home situation for him would be one in which Alex is the only child in the home, and he would therefore be able to benefit from being the singular recipient of the nurture, support, and guidance of the parents. Alex dislikes people who antagonize others. He is eager to be adopted into a loving family and to have parents he

can call his own. If you would like to meet Alexander, please contact Children's Home Society at (863) 413-3126.
